

25 Ways to Live the Mission Over Days!

The challenge is to live out Chapel Hill's mission by demonstrating acts of welcoming, experiencing and sharing the love and grace of Jesus Christ at least once each day. Below you will find some ideas. Some might cost you a few dollars and others will just take a few minutes of time. If you'd like, share what you have done on social media and tag Chapel Hill with #LOVEYOURNEIGHBOR and #CHAPELHILL25IN25. These are ideas to get you started, but we'd encourage you to get creative and come up with your own!
